

**CV Vito Cantisani, MD, PhD**

Born in Lagonegro (PZ), Italy, August 20, 1974.

Graduated in Medicine at University Sapienza of Rome in 1999 **cum Laude**.

From 2001 until 2003, Chief Resident, completed the Residency in Radiology in 2013 at University La Sapienza **cum Laude**.

Visiting Fellow at the Johns Hopkins Hospital in Baltimore in 2001.

In 2002 Fellowship Research in Abdominal Radiology at BWH, Boston, Harvard Medical University.

Attended AFIP in Walter Reed in Washington in 2003.

In 2002 and 2003 was awarded at ECR with the **EURORAD prizes**. Top 50 presenter at ESGAR 2003, in Budapest. In 2007 he won the **EFSUMB Young Investigator Award** at EUROSON 2007 in Lipsia.

At RSNA 2008, coauthor of a poster awarded with certificate of merit.

At EUROSON 2009, Edinburgh, won the second Poster Prize.

In 2011, as co-investigator, awarded with one of the Sapienza Prizes for Research.

In 2014 awarded as Best Scientific Presenter in Head and Neck Session of ECR 2014.

Coauthor and Chairman of the three studies awarded as best poster and presentations at SIMB 2015.

From 2004 to date, employed in the Department of Radiology, II Chair, University La Sapienza, as Full-Time Staff Radiologist and Instructor in Radiology.

Completed the PhD in Cardiovascular and Thoracic Fisiopathology and Imaging and Surgery at University La Sapienza in 2009 cum Laude.

In 2010 he was evaluated eligible for FAS position on Diagnostic Imaging of neck and abdomen at Department of Radiology, Policlinico Umberto I.

In 2014 he was evaluated eligible for Associate Professorship in Radiology at ASN

He has been nominated Chairman of Diagnostic and Ultrasound Innovations Operative Unit at Policlinico Umberto I, Univ. Sapienza of Rome.

From 2004 to 2011 he has been coordinator of Color-Doppler sonography didactic Courses at the Department of Radiological Sciences at Policlinico Umberto I.

From 2005 to date Professor at School of Residency in Diagnostic Radiology and at School for Radiological Technicians at University Sapienza and for Perfusionist Technicians (from 2011).

From 2009 Temporary Professor at School of Residency in Surgery at University Sapienza, Rome.

In 2009 he belonged to the Organizing Committee of the first Italian Guidelines on Liver Imaging.

Co-investigator of the TEMPUS project "US School in Tirana".

From 2006 to 2008 secretary of Contrast media Section of SIUMB.

From 2008 to June 2012 secretary of Contrast media Section of SIRM.

From 2008 to 2012, nominated President of Contrast MEDIA Section of SIUMB.

From 2011 Co-opted Member of EPSC of EFSUMB.

From October 2013 to date, Chairman of EPSC of EFSUMB

From 2011 Co-ordinator of FAD of SIUMB and of the Website of EFSUMB.

From 2014 Elected Executive Member of US Committee of SIRM

From 2007-2010 he was part of the Editorial Board of Journal of Ultrasound.

From 2014, Editor of UiO.

From 2016, Editor of JUS.

He is in the Editorial Board of Eur Radiology, World Journal of Radiology, Medical Ultrasonography, and EJR Open, Hungarian Radiology.

He is part of the Expert Panel of EFSUMB that published the first European Guidelines on US-elastography which were published in 2013 in *Ultraschall in der Medizin* (EJU) and in the panel of expert of the new guidelines on Interventional US, US-elastography and CEUS non-liver applications, published or in print in *Ultraschall in der Medizin* (EJU).

He is Leading Guest Editor of a Special Issue on US-Elastography for EJR and on CEUS already published in EJR

Research interest mainly focused on US contrast media in abdominal and non-abdominal applications in correlation with multislice-CT and enhanced-MRI and US-elastography mainly in thyroid, testicle, liver, breast, salivary glands.

He wrote as first author or co-author **132** papers published on Italian or International peer-reviewed Journals as reported in PUBMED, **139 in Scopus**. To visualize Scientific Activity please refer to [http://scholar.google.it/citations?user=i6S\\_0B5cXosC](http://scholar.google.it/citations?user=i6S_0B5cXosC) or on Scopus Search for Author (Cantisani V) or To Scopus or to ResearchGate

Co-author of more than 30 chapters of International Books. Presented to date more than 150 oral presentations, 60 scientific exhibits, 250 invited lectures and 80 chairmanships. He organized

several International Meetings. Member of organization committees of more than 30 Italian or international Meetings.

Member of SIRM (Società Italiana di Radiologia Medica), SIUMB (Società Italiana di Ultrasonografia in Medicina e Biologia), ESR (European Society Radiology), ESGAR (European Society of Gastrointestinal Radiology), Fellow of ESGAR from 2011.
